- 17.2** Penalties for any breach of this Prospectus is at the Stewards' sole discretion.

## **18. Rolling start procedure for all classes.**

The following procedure is to be followed in all instances where a rolling start is to be used, The Race Director shall have overriding authority with regard to the Rolling start procedures.

On the instruction of an official, race vehicles will leave the marshalling area for one warm-up lap and one form up lap prior to the race start. To be considered a starter in any event the driver must leave the grid within 2 minutes of the karts being allowed out of the gate onto the circuit.

Any vehicle requiring external assistance during the formation laps will be at the race Directors discretion.

During the warm-up laps, karts will maintain their starting order with the pole position driver leading, keeping the 2x2 warm-up formation as tight as possible. Passing is only permitted if a kart is delayed when leaving its form-up grid position or a kart has obvious problems and a kart behind cannot avoid passing it without unduly delaying the remainder of the field. In this case, drivers may only overtake to re-establish the original starting order.
