- 17.3.** Penalties for any breach of these Supplementary Regulations is at the Stewards' sole discretion.

18. Rolling start procedure for all classes.

The following procedure is to be followed in all instances where a rolling start is to be used, The Clerk of Course shall have overriding authority in regard to the Rolling start procedures. On the instruction of an official, karts will leave the marshalling area for one combined warm-up/ formation lap prior to the race start.
There will be form up boards approximately half way around the lap to signify that karts are to form up and be ready for a start.
Any additional formation laps may be deducted from the race distance.
To be considered a starter in any event the driver must leave the grid within 1 lap of the first kart being allowed out of the gate onto the circuit
Any vehicle requiring external assistance during the formation lap will be at the discretion of the C of C.
During the warm-up laps, karts will maintain their starting order with the pole position driver leading, keeping the 2x2 warm-up formation as tight as possible. Passing is only permitted if a kart is delayed when leaving its form-up grid position or a kart has obvious problems and a kart behind cannot avoid passing it without unduly delaying the remainder of the field. In this case, drivers may only overtake to re-establish the original starting order.
